Scheduled Opening Day for the Museum

Volunteers and carpenters have been busy getting ready for the opening season. The Modern Bedroom has been renovated that included redoing the outside walls, wallpaper and a paint job. Our appreciation and "Thanks" goes to Charley Crowe for donating a dumpster during the renovation process.

Another room, the Brass Bedroom is in need of some renovation also, subject to the approval of the Board and funds.

The painting of the outside of the museum will be completed this spring.

Needed - A white bedspread for the Modern bedroom.

Museum Volunteers

With the help of our many wonderful volunteers last year the museum was able to be open Monday thru Friday from 9:00 until 4:00. We heard a number of comments about how the volunteers enjoyed donating only 4 hours or more a month to make this happen.

A meeting for this year's volunteers will be held **Monday, April 12** at 10:00 a.m. at the museum. If you want to help or know someone who would like to help, please come to the meeting. We will need more volunteers this year because the Genealogy

Room will be open this year. This room may have to be open by appointment only.

Membership

Remember to pay your membership dues. The cost is only \$10.00 a year per person or business. If you know of someone who would like to belong, please tell them to write a check to "Morgan County Historical Society" noting for 2010 dues and send to Morgan County Historical Society, Joann Mayor, Membership Secretary, 120 North Monroe, Versailles, MO 65084 along with name and mailing address or use the form on the back of the newsletter.

Adopt A Room

There are still some rooms that are available to be adopted for 2010. For \$25 your name or business name is placed at the entrance to the room. This money goes to help maintain the museum.
